Exhibit Display Area

For your exhibit display area, you receive a 6ft draped table, and 2 chairs.

Audio/Visual Information

Below is the link <https://eventnow.encoreglobal.com/> to Encore's A/V exhibitor ordering system. The system is streamlined and convenient for exhibitors to secure their booth items. This link takes credit card payments directly when an order is placed, and an invoice is automatically emailed for confirmation.

Once you click into the link, search/choose your event by inputting the date/location fields.

Click into your show (**CSPA Annual Staffing & Recruiting Conference Jun2026**), select your items, and proceed to checkout. All fields marked with a red asterisk * must be populated to complete a transaction.

Please remember this year's show is a tabletop display; we do not have a full exhibit hall with 10' spaces. Please note, you will need to fit within your tabletop area. If you bring pop-ups, we recommend that they fit on top of your table and placing your chairs in front of your table or removing the chairs all together.

Shipping and Handling
